My Beloved Friend and puppet of the Zionist controlled Western Media
Samantha,

I am writing to thank you in advance for your 5 out of 4 star review of the upcoming Blu-ray and DVD editions of my film *The Dictator*.

I regret that I cannot be there in person to guide you during your reviewing process, however the guards currently posted outside your home and office are there to help you make the right choices.

Please, do not feel in any way pressured to write favorable things - you are, of course, completely free to say whatever you wish. Just as John Lennon was free to refuse my father an autograph in 1980, JFK was free to refuse him a nuke in 1963 and Marilyn Monroe was free to refuse him a BJ in 1962. He never met Princess Diana, honest.

I look forward to having your completely unbiased and overwhelmingly positive review of my DVD and Blu-ray. They will be released in August. As for your families, well that's up to you.

Your loyal ally,

P.S. Are you going to Saadi Gaddafi's Labor Day party in the Hamptons? If so, are you going to wear white? I always feel so overdressed.
